

Association of Fundraising Professionals - East Texas Chapter
Mentoring Program 2013

MENTOR APPLICATION
"Learn, Teach, Do"

The AFP ET Mentoring Program provides chapter members with one-on-one assistance to enhance their knowledge and skills as development professionals. Participation as a Mentee is available to members of AFP ET who have worked as a full-time paid development professional for at least one year. Participation as a Mentor is available to members of AFP ET with demonstrated expertise in fundraising. CFRE certification is preferred. Mentors will receive 10 points toward CFRE recertification. Participation is contingent upon the identification of an appropriate match. Mentorships take place for one year, with the details of the interaction determined by the Mentor and Mentee. A mentorship typically involves monthly contact. There is no charge for this membership benefit. At the conclusion of the mentorship, both parties are asked to submit an evaluation. The Mentoring Program is not intended to substitute for formal consulting services. AFP ET encourages the hiring of professional counsel for institutional development.

I acknowledge the need of all fundraising professionals to build their skills. I volunteer to serve as an AFP ET Mentor. If appropriately matched, I will serve for one year and report to AFP ET at the conclusion of the mentorship. I understand that as a Mentor, I will earn 10 points towards CFRE certification/recertification.
